BUY SOMETHIN' ALREADY!

STEP Nº 1. FILL OUT ORDER FORM

We offer an online order form and downloadable PDF. Both can be found at www.DirtyBirdUSA.com. Please be as detailed as possible to avoid delays or misunderstandings.

STEP Nº 2. PACKAGE

If you are sending a firearm (any serialized part) and you are not an FFL, please include a photocopy of your state issued photo identification (driver's license). Dealers must include a copy of their FFL. Also, **be sure to include a copy of your completed order form.**

STEP Nº 3. SHIP

Ship your items according to the shipping guidelines (listed below).

STEP Nº 4. GET WORK ORDER

Once we receive your shipment, we will review it, contact you if we have any questions, and then send you a work order. The work order will include all pricing information, payment terms and lead times.

STEP Nº 5. GET NOTIFICATION

We will complete your project, in accordance with the work order, and notify you when it is completed. This notification will include photos of the finished product and an invoice, along with payment instructions.

STEP Nº 6. PAY UP!

Once your payment has been received, we carefully package your items and ship them back to you.

SHIPPING GUIDELINES

- Complete handguns *MUST* be shipped by NEXT DAY AIR, either **UPS®** or **FedEx®**. You *CANNOT* ship complete handguns via **USPS®**.
- Complete Shotguns & Rifles may be shipped via ground service. Check with your carrier for details.
- Take it to a service center, *NOT* a pack and ship or drop box. **UPS®** and **FedEx®** require you to notify them you are shipping a firearm. Declare it as an 'unloaded firearm going in for repair'.
- **BE SURE IT IS UNLOADED! DO NOT INCLUDE AMMUNITION WITH YOUR GUN!**
- Include your order form and identification/FFL in the box.
- Insure it for replacement value; insurance is inexpensive.
- Ship to:
Dirty Bird Industries, LLC
400 Park Avenue
Youngsville, NC 27596

PAY ATTENTION, WILL YA!

The more detailed you are,
the faster we can turn-
around your order.

We don't need small parts,
like springs or detents,
unless they are being coated.
Same goes for parts that
add unnecessary shipping
weight, like BCGs or Pistol
Barrels.

AND WHAT DO YOU WANT?

*Additional fees for disassembly & reassembly apply
Add 90.00 for handguns, add 150.00 for long guns
